LOUDENBECK CAMPAIGN EVENT SET

Clinton, WI – (August 25, 2010) Amy Loudenbeck, Republican Candidate for Wisconsin’s 45th Assembly District invites you to meet Amy, pick up a yard sign, volunteer, and invest in the 45th’s future. Come out and enjoy the relaxing atmosphere of the Butterfly Club on Monday August 30th, 5:30pm-7:30pm, while meeting other community movers interested in protecting the district’s heritage and restoring prosperity to the area. Food and refreshments will be provided.

The 45th Assembly District consists of roughly half of Rock County including the City of Beloit, six Rock County Towns, the Village of Clinton, Richmond Township in Walworth County, and three wards in the City of Janesville. Amy entered the race for 45th Assembly in late spring driven by a desire to take all of the voices in the 45th Assembly District to Madison. A Town of Clinton resident, Amy quickly gained widespread support because of her unique combination of business and advocacy experience at the Greater Beloit Chamber, extensive community involvement, service on the Clinton Town Board and rural life-style on a hobby farm she and her husband, Matt, have worked very hard to preserve and restore. This unique balance hasn’t gone unnoticed, Amy recently received a key endorsement from former Lt. Governor, Margaret Farrow and continues to gain support from a wide swath of voters throughout the district. Come on out on Monday and learn more about this exciting development in the race to restore prosperity to the 45th—this is your district, your future.
